Supposed burgiars, who, it is charged, broke into Gilchrist's store at Fierro and took several watches and some jewelry, were traced by deputy sherif? Peces, Texas, Feb. 24.—Those foursectioners who have been hard pressed
for money, and who have been obliged
to let their interest payments full behind with the state, have been greatly
relieved by a letter to Miss Woods,
county clerk, in which commissioner
Robison stated that forfeitures would
not be taken for at least 30 days yet.
The reason for this is that the bill
that has been passed by both houses
of the legislature allowing the homesteader relief from too high a bid on
lands, has not yet become a law, and
the adjournment of the legislature beacuse of the meningitis epidemic made
it unlikely that the measure would be
reached before today when the lands
would have been cancelled. Peces, Texas, Feb. 14.—Those four-
